When Buying a PIANO don't let a low-price de-ceive you into buying an unreliable instrument. Some people only think about price and never think of the tone or other qualities. When we sell a Plano we think of both, we make sure that everything about the Plano is right and that the price is low enough, all other things considered.

THE VALUE OF CHARCOAL.

Few People Know How Useful it is in Preserving Health and Beauty,

Preserving Heating and Boardy.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing pur-Charcoal is a remedy that the more

charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.

smoking, drinking or after eating onlone and other odorous vegetable.

Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and ommently safe cathartic.

It absorbs the injurious gases which collect in the stomach and howels, it disinfects the mouth and throat from the poison of caturit.

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the noney is justice.
